To whom it may concern:

I am a member of the San Francisco Board of Supervisors, representing District 8. District 8, which includes the Castro District, is largely the same district previously represented by Supervisor Harvey Milk. I understand that you are considering issuing a commemorative United States postage stamp honoring Supervisor Milk. I am very supportive of issuing such a stamp, and I encourage you to do so. A Harvey Milk stamp would be a fitting recognition of Supervisor Milk's significant role in American history as a leader in the fight for equality. He was a hero and should be recognized as such.

If you have any questions, please do not hesitate to call me. Thank you.

Sincerely,
