

**QUEEN MOTHER OF THE AMERICAS EMPRESS NICOLE THE GREAT
ANNOUNCES BLUE RIBBON COMMISSION ON CORONATION REFORMS.**

After an entire year of traveling almost every weekend to coronations throughout the kingdoms, one thing has become apparent to our Queen Mother, Empress Nicole the Great: that nearly everyone agrees that many of our coronations have become too long, too boring and too tedious.. For this reason, we are losing our communities' interest, attendance and support. We must make major changes to our formats in order to survive and grow,. otherwise our coronations will only be witnessed and attended by ourselves! .

The Queen Mother of the Americas, Empress Nicole The Great announces the formation of an official Blue Ribbon Commission on Coronation Reform. The Commission will consist of:

- Chair - Empress Jack E of Reno
- Empress Panzi of New York (ICC President)
- Emperor Frank Schreckenberger of Portland
- Empress The Lovely Suzanne of Portland
- Empress Verna Turbulence of MA

Among the issues to be addressed are:

- Court introductions and presentations.
- Command performances
- Code of conduct for MCs (use of profanity, etc.)
- Last walks
- Guests on the dais
- Proper presentation of national flags/colors and national anthems
- Proper presentation of our beloved founder Empress I Jose, The Queen Mother, King Father, the founding court of San Francisco and the Mother Court of Canada, Vancouver

We encourage input from all of you; your suggestions, concerns, ideas, etc. Your comments are most important and will certainly help to guide the Commission. Please email these directly to Empress Jack E at evxxv@sbcglobal.net

The Commission will present an official report at the ICC meeting in Denver in April, which will then be issued to all courts and the general public.
