

**First Canadian Conference**  
**Vancouver, BC Canada**  
**March 15, 2008**

The first ever Canadian Conference was held in Vancouver, BC Canada on March 15th, 2008. It was hosted by Queen Mother Empress Nicole the Great, The Empress of Canada Mr. Ted Northe and the President of the ICS Empress Panzi along with the Canadian Heirs. It was an opportunity to officially recognize the history of the noble deeds this great nation has offered and to honour the Empress of Canada- Ted Northe as an official gay hero. This meeting also set in place the intention for the all-inclusive" New Renaissance" future of the ICS. The attendance was very diverse. It included 47 members from all over Canada and local members from our Trans community, First nation native society,as well a some interested parents of our Gay youth. Members where able to ask questions and offer suggestions. Making positive strides for each empires' fundraising and community representation was also discussed. This conference proved to be very inspiring and educational. It was a very historical weekend for Canada as we also hosted the signing of an accord between the ICS and EGALE- [www.egale.ca](http://www.egale.ca) (A national organization that advances equality and justice for lesbian, gay, bisexual, and trans-identified peoples and their families across Canada). A lot was covered in a short time, but by judging on the positive feedback from many, it was very well received!
